

### Jack Bellows – A tribute by Ray Willis

Jack played in goal for Bournemouth Poppies. When he retired from playing he became a goalkeeper coach and physio.

Jack came to Hamworthy Recreation in the 1991 season as goalkeeper coach and physio.

For years Jack travelled with Dot and me taking the kit to every game. Jack and I also served together on the Combination Committee for a few years.

Jack also worked hard for the Hamworthy Recreation Club serving on Club Committees.

Jack Bellows had a dry sense of humour and will be sorely missed having served the Club faithfully for almost 30 years
