Tributes to Stephen Sharkey

“From the whole management team, Sharks, you are missed more than words can properly express. You were an outstanding goalkeeper coach whose knowledge, passion and encouragement made every player better, but above all, you were a wonderful friend to us all. Your warmth, humour and kindness made you such a special part of our football family, and the memories we shared with you will stay with us forever. Our thoughts and love remain with your whole family. You will always have a place in our team, our club and our hearts. UpTheRec”

By Hamworthy Recreation Management Team

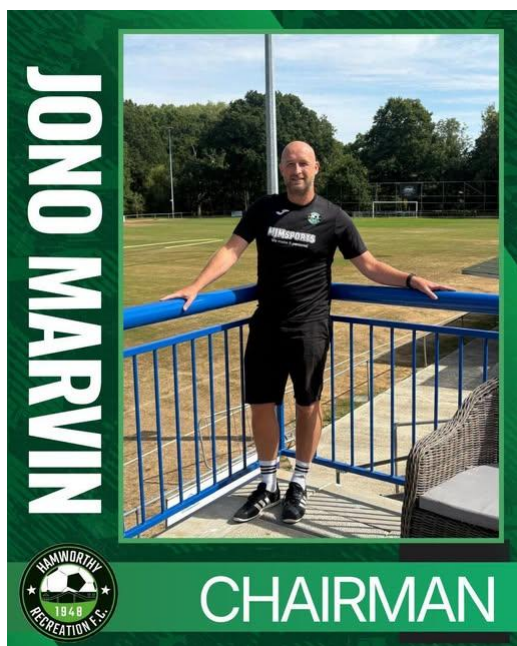

"Sharks was really one of the best, a man that held everyone to the highest standard day in day out, but more importantly cared about every single person that walked through the door, from players to staff to volunteers.

He always wanted the best for everyone, he would go out of his way to make your life easier any way he could even at his own inconvenience. Even to this day he holds us accountable in training, if something doesn't quite go to plan Ian and I will say "Sharks would want that better" and we would re-do the session again.

There aren't enough words to describe how much of a fantastic man he was and we will miss him every week in the dugout“

By Shane Murphy – First Team Goalkeeper

Chairman's Welcome – Jono Marvin

I would like to introduce myself as the new Hamworthy Recreation FC Chairman.

Firstly, I would like to thank Chris Hayes for his long service as Chairman and, now as Vice Chairman, will be able to concentrate on his work as Chairman of Canford Magna Complex following the change of name from The Hamworthy Club.

I have been involved in local football for too many years to mention. For the last 2 years I managed a successful Hamworthy Recreation's U18, seeing many of those players move through the club's pathway and into both the 1st Team and Reserves. This pathway is very important to me and something Hamworthy Recreation remains keen to promote.

I look forward to supporting Wayne and Ryan with the First Team, Andy Gilbert with the Reserve Team and Harry Smith with the U18s who were very successful last season as our U17 Team. I am keen to increase the attendance at our home games drawing on our local community in Merley, Canford and the surrounding areas. We would love to welcome local junior teams to come and be match day mascots and ball boys and girls. I look forward to welcoming new people as we build to become the football club we aspire to be.

My friends call me Jono, so next time you see me please come and say hi.

Please do not hesitate to contact me, my email is Jonathan@bhmortgagesolutions.co.uk

MANAGEMENT NOTES

Wayne Smith & Ryan Andress

Welcome back to the Meyson Properties Stadium for our first home league fixture of the new season.

We would like to extend a warm welcome to all our supporters, committee members, volunteers and sponsors. Your continued backing means a great deal to everyone involved with the club, and we hope you enjoy being back with us for another season.

Today is an especially important and emotional occasion for everyone connected with the club, as this match is dedicated to our former goalkeeper coach, Stephen “Sharks” Sharkey, who sadly passed away shortly after the end of last season. Sharks was a much-loved and valued member of our football family. His personality, commitment and contribution to the team will never be forgotten, and his absence is deeply felt by everyone who had the privilege of knowing and working alongside him.

We are honoured to welcome Sharks’ family to today’s game. Some of his grandchildren will walk onto the pitch with the teams, and a minute’s silence will be held before kick-off as we come together to remember him and pay our respects. We hope today provides a fitting tribute to a very special man who meant so much to so many people at our club.

On the football side, it has been a busy and productive summer. The players worked extremely hard throughout pre-season, and we played a number of very good friendlies which helped prepare us for the competitive campaign.

Our league season has begun positively, with all four of our opening fixtures being played away from home. Two wins and two draws represents a strong and unbeaten start, although we also feel that our performances and opportunities might have earned us even more points.

MANAGEMENT NOTES continued

Our FA Cup campaign ended with defeat against Devizes Town. We were well below the standards we expect from ourselves that day and, in truth, did not do enough to deserve to progress. It was a disappointing performance, but one we must learn from.

We have progressed to the next round of the Wessex League Cup after an away victory against Ash United. It was a difficult game on a tricky pitch, accompanied by all kinds of travel problems. It may not be a match we remember for the quality of the football, but we showed resilience, found a way to win and got the result we needed.

Today, we welcome the players, management team, committee and supporters of Petersfield Town to the Meyson Properties Stadium. We hope they enjoy their visit and have a safe journey home following the game.

We are expecting a very tough test against a good Petersfield side. We know we will need to be fully focused, perform at our best and compete from the first whistle if we are to get the result we want.

It is fantastic to finally be back at home for a league fixture. The pitch is looking superb, and a great deal of credit must go to our groundstaff, Gavin Fisher and Lewis McMurdo, for the time, care and hard work they have put into preparing it.

This is our home, and with the backing of our supporters, we want to make the Meyson Properties Stadium a difficult place for visiting teams to come throughout the season.

Finally, today is about more than football. It is about coming together as a club to remember Sharks, to support his family and to celebrate the part he played in all our lives.

This one is for you, Sharks. You will always be part of our team and will never be forgotten. Enjoy the game.

We welcome today's visitors Petersfield Town

The Rams were formerly known as Petersfield United (founded in 1889), with the club enjoying a spell in the Isthmian League from the mid-1980's until the early 1990's, before reforming as Town in 1993 to be able to take their position in the Wessex League.

Peter De Sisto was the new chairman and hopes were high of immediate success when he brought in former Tottenham and England defender Gary Stevens as manager. However the club failed to prosper and within months Stevens had left and matters came to a head in 1995 when Petersfield Town Council refused to grant a lease on the Love Lane ground. Local businessman Geoff Goad together with existing club officials including Ken Longland, Dave Ayre and Mark Nicoll took over the club so that it could remain playing at the Love Lane stadium and appointed Tony Adams as Manager and although he managed to keep the club up in his first season, relegation to the Hampshire League came at the end of the 1996/97 campaign.

Ernie Turrell became manager and built up a squad centered on local players but after he resigned midway through the season, Mick Catlin and Bruce Kendall took over but could not prevent another relegation.

In 1999/00 Paulsgrove pipped the Rams to the Division Two title but Petersfield were placed in the newly created Premier Division for the following season. A run of mid-table finishes then followed, with Bruce Kendall taking sole charge of the team for the 2001/02 campaign and he was replaced by Mark Burton in 2003/04.

Petersfield Town

In 2004/05, Petersfield joined the newly formed Wessex League Division Two and finished in fifth place. Mick Cripps then took over as manager for two seasons but the club found itself towards the lower end of Division Two, which was then renamed Division One.

Paul Ryan became manager at the beginning of the 2007/08 season and this prompted a spell of improved performances, which brought a fourth placed finish in Wessex League Division One in 2008-09 and two appearances in the final of the Portsmouth Senior Cup.

In the summer of 2010 first team coach Matt Short took over as manager and he was replaced by Ian Saunders in the summer of 2012.

Seasons 2013/14 and 2014/15 are certainly the stand out period in the history of Petersfield Town for their supporters. After years of false dawns and struggle those two campaigns brought silverware and new club records galore.

The 2013/14 campaign brought promotion from the Sydenhams Wessex League Division One and 'The Rams' won the league title – only taking over at the top of the table for the first time all season from Andover Town on the penultimate round of matches.

It was Petersfield's first promotion won on the pitch since 1982 and striker Robbie Tambling was the golden boot winner for the Division with 40 goals. The club also reached the final of the Wessex League Cup and the quarter finals of the Hampshire Senior Cup – both record runs for the Rams in those competitions.

Manager Ian Saunders' side won the team of the month prize on three occasions and they broke the club's record score several times – eventually setting a new best on January 25, 2014, when they beat Andover New Street 14-0 at Love Lane.

Petersfield Town

The 2014/15 season brought more title-winning glory when the Rams secured the Sydenhams Wessex League Premier Division to take them up to Step 4 football – the highest level the club has played at in its history in non-league football.

Again a number of team of the month awards were won by Saunders' side and midfielder Ed Dryden was signed by Premier League side Stoke City during the second half of the season. Strikers Warren Hunt (33) and Andy Todd (31) both passed the 30 goal mark for the season.

The club were runners-up for the second year running in the Wessex League Cup and they were also runners-up in the Portsmouth Senior Cup.

Over this two year period the reserve team added to the silverware haul for the club. In 2013/14 they won the Wyvern League Shield and in 2014/15 they won the Wyvern League Challenge Cup.

Season 2015/16 was another year of firsts for Petersfield – it was the first time they had played in the Southern League and they went on to finish in 13th place in Division One Central.

They played in the FA Trophy for the first time too and had their best ever run in the FA Cup to date – reaching the third qualifying round before losing to National League South side St Albans City.

Saunders left the Rams a little over a week before the start of the 2016/17 campaign and Andy Neal and Gary Lines had short spells in charge of first team matters before John Robson was appointed manager in October 2016.

We welcome today's visitors Petersfield Town

However, he could not reverse what had become a disastrous season and the Rams finished bottom of Division One Central, gaining only nine points all season.

It wasn't all doom and gloom though – the first team reached the final of the Portsmouth Senior Cup at Fratton Park, home of Portsmouth FC, and the reserve team won the Wyvern League's Division One East title and the Wyvern League Challenge Cup. In the summer of 2017, Jim Macey was appointed first team manager and the Rams were placed back in the Wessex Premier Division following their relegation from step four football.

After a poor start to the campaign Macey resigned and Mark Summerhill took the helm. He worked tirelessly but could not turn around the season, and the club finished bottom of the Premier Division for a second successive relegation.

Back in Wessex Division One the goal in 2018/19 was to stabilise the club both on and off the field, and this was achieved with Mark Summerhill taking the team to a 15th place finish on 40 points, well clear of a relegation position, plus a quarter-final appearance in the Russell-Cotes Cup.

Further progress was made in 2019/20 with the team on course for a top half of the table finish when the season was terminated due to Covid-19.

There was also cup success, the highlights being the club's best ever run in the FA Vase reaching the second round proper, and the third round of the Hampshire Senior Cup.

The pandemic once again brought season 2020/21 to a premature end, however the club was once again enjoying a solid campaign.

After the two curtailed seasons it was great to complete 2022/23. Most of the season was spent hovering just above the danger zone but in the end the team finished in twelfth place.

A partnership with Gosport Borough saw Pat Suraci and Joe Lea join as Joint Managers, with Mark Summerhill becoming Head of Football.

We welcome today's visitors Petersfield Town

They brought instant success to the Club with promotion back to the Wessex Premier Division via the Division One play-offs, defeating New Milton Town, while also reaching the Wessex League Cup final for a third time in the club's history.

Their tenure was unfortunately short-lived with the trio departing for Privett Park in the summer of 2023, however it gave opportunity for captain, Connor Hoare to step into the Manager's role alongside Callum Glen.

Their appointment coincided with an exciting new era at Love Lane, following a summer merger with the highly successful Petersfield Town Juniors.

Together, they formed one unified club to secure a bright and sustainable future for football in Petersfield, enabling player pathway at all age groups; the emergence of a Ladies side, and an increased volunteer workforce to take the club forward off the pitch. 2024/25 saw the club moved laterally by the FA into the Southern Combination League Premier Division and new adventures in facing Sussex-based opposition. It was also a prosperous season, as The Rams finished in fifth spot to make the play-offs, beaten by Crowborough Athletic who would go on to gain promotion.

However, it was to be a short hiatus across the county border, as the club were re-allocated back to the Wessex League for the start of 2025/26, this time with Connor Hoare taking sole managerial responsibility following Callum Glen's move to Moneyfields.

Hoare departed midway through the 2025/26 campaign having taken the side to the summit of the Wessex League Premier Division table, taking charge at Midhurst & Easebourne United.

Director of Football, Kris Stephens assumed interim control - delivering the Portsmouth Senior Cup with the majority drawn from the U23's side against strong AFC Portchester opposition, on a momentous occasion for the club.

Former Ram, Zak Sharp, was named new permanent boss in May 2026, following a successful period as Gosport Borough Under 18's manager.

Match Report by John Hutchings

22.8.26. Sturminster Newton United 2 Hamworthy Recreation 2

A goal four minutes from time earned Rec a point, in the Dorset derby, with Stur Newton. In fact, a point was the least Rec deserved. After a lack-lustre first half which saw them trail by one goal at the break, acting manager, Ryan Andress, made a bold change to a 4-5-1 system for the second half, which proved successful, with Rec equalising early on. They then failed to press home the advantage, when on top and paid the price when the hosts went ahead again, on 77m. But that late goal salvaged a point.

The first half saw Rec look the better side, early on, but not creating any chances and Stur came into the game, with the dangerous Hart heading a decent chance over the bar, before Hall's shot suffered the same fate. But on 33m, the Cherries, in their first season in Wessex Premier, took the lead. Hall set up Jackson-Collis, whose shot was beaten away by Rec keeper, Shane Murphy, with the ball eventually falling for HART to fire in, off the post, for 1-0 at HT.

The change of formation sparked more life into Rec and they equalised on 51m. Midfielder, Aaron Roberts, playing his 100th game for the club showed good control inside the area and tried his luck - his shot bouncing past Crane, in the home goal, for 1-1.

Ollie Davies' free-kick was then saved by Crane, before Tyler Rudd chased a seemingly lost cause, but won the ball and shot inches past the far post, as Rec looked the more likely side. Rudd was unlucky again, when he burst into the box and crashed his shot against the post, before Sean Wright saw his header saved.

On 77m and against the run of play, Stur re-took the lead. Rec switched off as a long throw found LANEY, who cleverly hooked the ball beyond Murphy, to score, what looked likely to be the winner. But Rec came again, with Chris Long heading a cross wide, before, on 86m the same player did well to guide the ball to DAVIES to fire past Crane.

Rec went for the winner and nearly got it when Jake Dove's cross found debutant, Harrison Taylor, only for him to blaze over the bar. FT 2-2. A point for Rec, but it could have been three with better finishing.
