Word from the Managers

Thank you to Mike Pomeroy and the club for supporting us in our last game away to Lyme Regis and providing us with a breakfast and the coach. Thank you.

The game itself was a different test than the normal DPL battle, we started off with lots of possession and forced our opponents to hit long balls on a small pitch which ran through to Henry in goal. We then continued to enjoy possession without being clinical. We broke the deadlock via Dan Reeks the opposition responded brightly and then the second went in which was a well-deserved finish from Noah Busquets Burgess for his first of the season, there was no real response after that with us controlling the game and possession we killed the game off with Matt Kerse making it 3 nil.

With this weekend's upcoming game, our local derby against a very good Cobham team managed by Johnny Bines, and so far, they have one game up on us so this will be a battle that we are looking to win especially with this game being at the BJM, which we are building to be a fortress. We are missing a few experienced players for this weekend's game, but the squad has shown such togetherness and potential so far this season that I have no concerns.

I must mention that for the last few home games, we have had such good support for weekend and evening matches which has assisted in some good and exciting wins.

Thank you to all the supporters for contributing to this!

Last League Match Report

3 - 0

Hamworthy Recreation Reserves travelled the short trip to Bournemouth Electric aiming to get back to winning ways but were undone by 3 goals in the first half.

Both sides had early chances, Rec blasting over the bar from a corner and Electric testing Birtwistle in the Rec goal. The game settled down and it was Rec that were the more creative with a high press. However, it was Electric that took the lead in the 17th minute when Sam Lench fed in Tino Maher whose run was ended when he was downed in the box, the referee not hesitating to point to the spot, DILLON KING was given the responsibility, and his kick went low to the left of Birtwistle's outstretched hand. The goal seemed to spur on Rec who again pressed led by Bryce Banfield, but the Electric defence dealt with any threat Rec could muster. Electric then increased their lead in the 25th minute when a long looping cross evaded everyone and SAM LENCH was there to bundle the ball home. Ryan Davies thwarted another Rec raid with a great tackle in the 27th minute before good play through the midfield found EDRIN ASANTE in space whose low shot across Birtwistle found the far corner of the net.

HT 3 -0

The second half started at a fast and furious pace with Rec looking to reduce the deficit, but with Electric standing firm in defence with Williams marshalling his troops there was no way through. Frustration showed through the Rec players and the game became fragmented and littered with stoppages. As the game drifted towards its end it was Birtwistle who was the busier keeper making some fine saves. In conclusion Electric deserved their win with another good performance

FT 3-0
